

Fire Island Lighthouse Historical Cruise & Tour

Get your oars ready. Well, ok, you won't have to actually row. But, you will be going on a "boat trip". It's the Kiwanis Club of Copiague "Fire Island Lighthouse Historical Cruise and Tour". Mark your calendars. This one will be a 4 hour roundtrip tour (6:30 - 10:30pm) on Tuesday, June 24th (rain date, Wed 25th).

We'll be leaving from the parking lot (free parking for us) of the Sayville Ferry Service (41 River Rd – Sayville – 631-589-0810) [A]. Our destination will be the historic Fire Island Lighthouse [D]. Along the way [B to C], we will be regaled with interesting tales of the other local historic sites along our route (see accompanying map for reference).

The cost of this pleasant, seafaring adventure is a mere \$25.00 per person. In order to keep the cost down, no food or beverages will be served. However, we encourage everyone to bring their own "picnic basket" so that dining can take place during the initial course of the tour. There will be plenty of room for all on the top deck of our vessel. (Please note: Due to the nature of this activity, it is not recommended for children).

When we arrive at the lighthouse, we will disembark and be given the grand tour as well as appropriate commentary of this historic landmark. During our tour, the facilities will be closed to all other visitors.

Since this cruise and tour is a fund raiser for our Club, we are targeting not only our fellow Kiwanians from outside our Club, but are opening "admission" to non-Kiwanians as well. We are limiting "enrollment" to just 120 participants. In view of the anticipated response, you are urged to reserve you spot ASAP...!!!

This event combines fun and fellowship as well as learning. Talk it up amongst yourselves, your families, your friends.. Don't miss out..

Reserve your spot now...!!! It's a minimal cost for a great deal of fun. Are you having fun yet...??? 😊😊😊

Additional details will be on our web site (CopiagueKiwanis.org) as it becomes available.. If you have questions, or need to know more (or reserve your spot) right now, contact **Sal Puglia** at 631-225-1663 or SalPLS@aol.com.

On an accompanying note, **Dave Griese**, the Director of the Fire Island Lighthouse, will be the "featured speaker" at the Divisional hosted by the Kiwanis Club of Copiague on May 15th. This will be an excellent opportunity to get a preview of what will be in store for us during our tour..
